MINUTES OF DEPUTY DIRECTOR (SUPPORT)

STAFF MEETING

13 November 1957

1. At the Deputies' Meeting on 8 November 1957 the Director emphasized his desire that identities and pseudonyms not be used in cables except when real names may tend to compromise the subject matter.

2. Colonel White again urged that a cable not be used when a dispatch will serve the purpose. A good example is itineraries of field trips sent by cable which, with prior advanced planning, could just as well be forwarded by dispatch. [REDACTED] noted that in October we had an all-time high in our cable traffic.

3. Colonel White reminded those present of the following reports required to be submitted to the Office of the Deputy Director (Support). In each case negative reports may be made by a telephone call to Mr. [REDACTED]

a. The Forecast of TDY Foreign Travel for the six-months period, January to June 1958, is due not later than 20 November 1957. Because the two weekends and Thanksgiving holiday will leave little time for a consolidation of these reports for submission to the Deputy Director (Plans) by 1 December 1957, Office Heads and Staff Chiefs are urged to get this report in before 20 November.

b. The Estimates of Foreign Travel under the Area Familiarization and Survey Program are due by 20 November 1957.

c. Reports of Conflicts of Interest, as required by Notice No. [REDACTED] are due by 5 December 1957.

4. Colonel White announced that he has had several favorable reactions to the recent Budget Officers' Conference at the [REDACTED] which was sponsored by the Comptroller. Other Offices and Staffs are encouraged to conduct similar meetings of their personnel at the Center. Mr. Saunders gave a resume of the subjects discussed at his Conference.

5. Colonel White noted that the third Support Exhibit conducted by the Office of Training in the R & S Building appeared to be interesting and worthwhile. He felt that further study should be given to improve this Exhibit since it could do much to sell the Support Services and make our functions known and understood throughout the Agency.
